## XXIII DOMRAS CUP

### MEAD ONLY COMPETITION

Mead is an alcoholic beverage created by fermenting honey with water and sometimes other fruits and vegetables. Mead (older than beer) has made a recent resurgence (Game of Thrones & Vikings tv show) but humans have been making mead since before the Vikings and Egyptians (10,000+ BCE).

For the last 23 years, the Savannah Brewers League has been hosting the Domras Cup, *the-world's-longest-mead-only-competition-continously-ran-on-the-same-weekend-that-we-can-find-on-the-internet*. We accept meads from all over the world. Domras Cup is a part of the East Coast Meadmakers, American Meadmakers Association, & Southeastern Homebrewers Association competition circuits.
